
CURRICULUM VITAE

Samir Mohamed Osman, **Ph.D.**
Lecturer
Department of Pharmacognosy
Faculty of Pharmacy, Oct. 6 University
Fax:(+202)38354275
Telephone: 002-0111-377-9115
E-mail:
samirothman1965@yahoo.co.uk
samirosman@o6u.edu.eg

Education

Diploma (2015) Quality and accreditation management system in educational institution.
Ain shams university.

Ph.D. in Pharmaceutical Sciences (2007) Faculty of Pharmacy, Cairo University.
Dissertation title: Phytochemical and Biological studies of *Jasonia montana* vhal. Family: Compositae growing in Egypt

Diploma in nutrition science (2001), Faculty of home economics - Helwan University

Diploma in cosmetic science (1996), Faculty of Pharmacy, Cairo Univeristy, Egypt.

Diploma in pharmaceutical Science (1998) (Pharmaceutics & Pharmacognosy), Faculty of pharmacy- Cairo University.

B.Sc. in Pharmaceutical Sciences (May 1988) Faculty of Pharmacy, Cairo University, Egypt.

Field of interest

Current research interests include the isolation of biologically significant natural products from various plant species as well as the implication of molecular biology to increase the active constituents in certain plant species.

Professional Skills

In the field of Pharmacognosy and Phytochemistry:

- Proficient in the use of various microscopes, sample preparation, dyeing and imaging.
- Experienced in analysis of natural products using HPLC and LC/MS techniques
- Experienced in essential oil extraction and identification using GC and GC/MS techniques.
- Experienced in extraction, isolation and structure elucidation of different secondary metabolites from natural origin.
- Experienced in biological screening of different plant extracts and isolated compounds.

Association Memberships

- A member of the Association lady Anji, in Cairo (2000-now).
- President of the Association Al-Ekhlass for social services in Giza (2005-2014).
- President of the Society for the Protection of Rights of Persons with Disabilities in Giza (2010-now).

Visiting

- Institut für Pharmazie und Molekulare Biotechnologie Im Neuenheimer Feld 364.D-69120 Heidelberg 2013.
- Training course at BUCHI Co. in Switzerland 2014.
- Training course at BUCHI Co. in Switzerland 2016.

Scientific trips

- Over than 60 scientific trips to collect medicinal plants from Sinai, Borg el Arab and western desert.

Publications

1. Soliman FM, Moussa MY, Abdallah HM, **Othman SM**. Cytotoxic Activities of Major Flavonoids of *Jasonia montana* Vahl. (Botsch). (Astraceae) growing in Egypt. **Australian Journal of Basic and Applied Sciences**. (2009); 3(1): 148-152. Impact factor (.23)
2. Hussein MA, **Samir MO**. Structure antioxidant activity relationship and free radical scavenging capacity of hesperidin. **IJP's J Med Chem**. (2010); 1: 7–20.

Posters

1. A study on the potential activity of natural products on the growth and survival of helicobacter pylori. 2nd scientific conference of faculty of pharmacy, Cairo University. April 2010 Poster participation.
2. Nutritional value and lipid composition of Moringa peregrina Seeds (AL-YASSAR) growing in Egypt. The thirty two Scientific Conference of Egyptian Pharmaceutical Society Dec. 2011 Poster participation.
3. Phytochemical and biological study of Bismarckia nobilis belonging to family Palmae. The thirty two Scientific Conference of Egyptian Pharmaceutical Society Dec. 2011 Poster participation.
4. Phytoconstituents and biological activities of the aerial parts of caesalpinia gilliesii (hook) family caesalpinae growing in Egypt. The 4th International Scientific Conference of Faculty of Pharmacy, Cairo University. 24th April, 2013, 3:00 P.M. at the Conference Center, University Hostel, Cairo University. Poster participation.
5. Antihyperglycemic activity and nitrile glycosides of moringa peregrine (Forssk.) seeds. The Euro-Mediterranean Association of Life Science (EMALS) " The 4th Euro-Mediterranean Conference of Natural Products and Drug Discovery: Back to Mother Nature" Cairo-Sharm El-Sheikh, 3-7 March 2015. Poster participation.
6. Phytoconstituents and Biological Activity of Lepidium sativum (Linn) Seeds Growing in Egypt. Fourth Euro-Mediterranean conference of Natural Products and Drug Discovery: Back to Mother Nature (BioNat-IV). Cairo-Sharm El-Sheikh, 3-7 March 2015. Poster participation.
7. In vitro evaluation of chloroform and Marjoram essential oil in endodontic retreatment of oval canals obturated using gutta-percha and three different sealers. European society of endodontontology. Abstracts of the ESE Vladimir Adlivankine Research Prize and Original Scientific Posters. International Endodontic Journal, 47, 50–113, 2014. Poster participation.

Conferences

1. Egyptian Pharmaceutical Society "XXXII conference of pharmaceutical sciences" December 2011.
2. Egyptian Botanical Society "4th International Conference of Botany and Microbiological Sciences" 23-24 April 2014.
3. The Euro-Mediterranean Association of Life Science (EMALS) " The 4th Euro-Mediterranean Conference of Natural Products and Drug Discovery: Back to Mother Nature" Cairo-Sharm El-Sheikh, 3-7 March 2015.
4. International Scientific Conference of Pharmaceutical Scince (2017)
5. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2016.
6. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2017.
7. 4th International Conference For Quality Assurance of Education 2017.
8. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2018.
9. International Conference of Traditional Chinese Medicine & Functional Medicine 2018.
10. 5th International Conference For Quality Assurance of Education 2018.
11. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2019.
12. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2020.
13. Dubai International Pharmaceuticals & Technologies Conference & Exhibition 2020.
