

Evacuation

The Faculty of Education has successfully conducted the evacuation of building no 4 on Tuesday December 21, 2022 at 11:30 am. The evacuation was initiated by the alarm as students and professors managed to vacate their lecture halls and corridors on their way out of the building using the stairs. Electricity was cut off and an ambulance was waiting at the entrance of the building. The procedure was supervised by Dr. Sally Michael Hanna, Vice Dean for Community Service and Dr. Ahmed Zayed, Acting Head of the Arabic Department and Evacuation team leader. Members of the evacuation committee which included professors and students helped out others on their way to safety.
