

CurriculumVitae

I- Personal information:	
1) Full Name:	 Eman Abd El Aziz Ahmed El Gebaly
2) Title:	Associate professor
3) Nationality:	Egyptian
4) Date of birth:	■ 2 nd July 1980
5) Place of birth:	■ Egypt
6) Marital status:	Married
7) Address:	 Family Land Compound, 6th October city
8) E-Mail:	<u>Eelgebaly80@hotmail.com</u>.
	Eman.elgabali.pha@o6u.edu.eg
	Eman.elgabali@pharm.bsu.edu.eg
9) H-Index (according to Scopus):	• 3
10) Website:	• -
11) ORCID:	• 0000-0002-5913-4092
12) Scopus author ID:	55582506400
II- Education:	B. Sc. Pharmacy and Pharmaceutical Sciences
	(excellent with honor degree), Cairo University,
	(Beni -Suef Branch, 2002)
	M. Sc. Pharmaceutical Sciences (Microbiology and
	Immunology), Faculty of Pharmacy, Cairo
	University, January, 2009,
	➤ Phd Pharmaceutical Sciences (Microbiology and

	Immunology), Faculty of Pharmacy, Beni-Suef
	University, December, 2012
III- Professional occupations:	 Working as a Lecturer in the Department of Microbiology and Immunology in Faculty of Pharmacy, Beni-Suef University, Egypt from January 2003 to till date. Quality coordinator for microbiology and immunology department, 2016-2017 & 2017-2018, Faculty of pharmacy, Beni-Suef university. Acting chef of the department of microbiology and immunology department, Faculty of pharmacy, 6 October university, 2018-2019. Quality coordinator for microbiology and immunology department, 2019-2020, Faculty of pharmacy, 6 October university.
IV- Experience:	
a) Teaching experience:	 Participating in teaching and practical supervising the Medical Microbiology, General Microbiology and Immunology, Pathology and parasitology and public health for general and clinical programs in faculty of pharmacy, Beni-Suef university. Participating in teaching of advanced microbiology and biotechnology courses for post graduate students, Beni-Suef university. Participating in teaching of Pharm-D courses (treatment of infectious diseases and treatment of immunological diseases), faculty of pharmacy, Benisuef university. Participating in teaching and practical supervising the public health, Environmental Microbiology and virology, Applied and industrial microbiology, Pharmaceutical quality control and biotechnology in faculty of pharmacy, 6 October university. Participation in oral examination committees for different years in faculty of pharmacy of 6th

October university, Nahda university, Cairo university and Ain Shams university.

b) Research experience and list of publications:

- Performing of antimicrobial susceptibility techniques including disk diffusion method and MIC determination for bacterial clinical isolates.
- Bacteriology: Isolation and identification of clinical microbial microorganisms (which include E. coli, Klebsiella spp. Enterobacter spp. Staphylococcus spp., Pseudomonas spp.) using variety of media.
- Biofilm formation and screening techniques using ELISA and its management using natural products extracted from different natural sources.
- Studying the efficiency of different antimicrobial agents isolated from thermophilic actinomycets.
- Environmental Microbiology: screening of xenobiotics biodegradation and enhancement of the degrading activity.
- Molecular techniques for identification of bacteria and using different bioinformatics tools.

cation:

- Mohamed A. Ramadan, Alaa M. Shawky, Aml Saafan and Eman A. El-Gebaly (2009): Fac affecting biodegradation of low concentration dichlorophenoxyacetic acid (2,4-D) in Nile wate the *Pseudomonas sp.* MA-100. Egypt. J. Biotechnol
- Eman El-Gebaly, Tamer Essam, Shabaan Hashem Rehab A. El-Baky (2012): Effect of Levoflox and Vitamin C on Bacterial Adherence Preformed Biofilm on Urethral Catheter Surface .Microb. Biochem .Technol. 4:6
- Fatma Molham, Walid Bakeer, Eman El-Gebaly Magdy Amin.(2016). A study on an aniline degra Pseudomonas aeruginosa isolate recovered 1 agricultural wastewater in Egypt. N. Egypt. J. Micro Vol. 43.

c) Training and Attendance of conferences:

- Attendancea training course in Bioinformatics, Center of biotechnology, Faculty of pharmacy, Cairo University, 201 0.
- Attendance a training course in identification and detection microbial genes by PCR technique, Center of Biotechnology, Faculty of pharmacy, Cairo University, 2008.
- Attendance the International Conference "Nanotechnology, Biotechnology and Spectroscopy" ICNBS, By Nakaa, 2013.
- Attendance Egyptian Biotechnologists Seminars CEB, NRC 2014
- Attendance the Conference "Biotechnology for the emerging economics" BSU-BE 2015
- Attendance the practical training "Molecular Markers and Genome Markers", CEB, 2016

- Attendance workshop "Erasmus and the 2nd international workshop "New trends in nanotechnology",2017, Faculty of post graduate studies, Beni-Suef University.
- Attendance the training course in the framework of the specialized research skills development program "Structural Bioinformatics", 2017
- Attendance of the seminar entitled "Role of ethical committee in using experimental animals in the international publications", Biotechnology department, Faculty of Post graduate studies for advanced sciences, 2017.
- Attendance of the seminar entitled "Academy on Impressive Academic Presentations., EKB, 2019.

Workshops:

- Attendance workshop "Design of electronic questionnaires using google form", 2016
- Attendance the work shop "Course specifications and reports" Quality Assurance unit, Faculty of pharmacy, Beni-Suef University, 2017.
- Attendance the workshop "Post graduate program and and Course specifications", Quality Assurance unit, Faculty of pharmacy, Beni-Suef University, 2017.
- Attendance of The Second Egyptian Bioinformatics Workshop Held at Nile University, 2017.
- Attendance of the workshop "Improving Grant Success: What Funders Look For?" Research Academy on Campus, EKB, 2020
- Attendance of the workshop "Using research metrics and indicators effectively in grant proposals" Research Academy on Campus, EKB, 2020.
- Attendance of the workshop "Managing and Sharing Research Papers
- Using the Mendeley Program" Academics & Researchers Platforms (IFAD), 2021.
- Attendance of the workshop "How to Write a Scientific Research Proposal? Academics & Researchers Platforms (IFAD), 2021.
- Attendance of the workshop "Research Hypotheses and Statistical
- Process" Academics & Researchers Platforms (IFAD), 2021.
- Attendance of the workshop "The Basic Rules for Building Scientific concepts" Academics & Researchers Platforms (IFAD), 2021.

 Attendance of the webinar entitled "Look beyond the
journal impact factor with journal citation reports",
NRC, EKB, 2021.

- Attendance of the webinar entitled "InCites B&A hands on training" Clarivate analytics, EKB.
- Attendance of the webinar entitled "How to improve your research skills? IET inspec, EKB,2021.
- Attendance of the nature research academic workshop" Successful Pre-submission Strategies", NRC, EKB, 2021.
- Attendance of the workshop "Search Academic EBSCOE", Complete database". EBSCO, EKB, 2021.
- Attendance of the nature research academic workshop" Effective post-submission Strategies", EKB, 2021.
- Attendance of the nature research academic workshop" Effective Academic Writing", EKB, 2021.
- Attendance of the nature research academic workshop" Logical Manuscript Structure", EKB, 2021.
- Attendance of the nature research academic workshop" Journal Editor 1", NRC, EKB, 2021.
