

Biochemistry Department

Vision

Become pioneers in the field of Biochemistry and Molecular Biology in education and research locally and regionally.

Mission

Provide high-quality education and an educational experience, which enable graduates to innovate and compete locally as well as globally. Provide graduates with the skills and awareness of the ethics of scientific research. Support and maintain the best academic research.

Teatching programmes

- Undergraduate programs

1- Bachelor of Pharmacy (B. Pharm.)

Course	Course Nome		Credit hours		
Code	Course Name	L	P/T	Total	
BIO 301	Biochemistry I	2	1	3	
BIO 302	Biochemistry II	2	1	3	
BIO 403	Clinical Biochemistry	2	1	3	

2- Bachelor of Pharmacy (Pharm. D)

Course	Course Name	Credit hours		
Code		L	P/T	Total
BIO 101	Cell Biology *	1	1	2
ENG 202	Scientific Writing	2	-	2
BIO 202	Biochemistry I	2	1	3
BIO 303	Biochemistry II	2	1	3
BIO 404	Clinical Biochemistry	2	1	3
BIO 600	Clinical Nutrition	2	1	3
BIO 601	Gene regulation and Epigenetics	2	1	3

* Taught jointly with the Department of Microbiology and Immunology

3- Bachelor of Pharmacy (Pharm. D- Clinical pharmacy)

Course	Course Name		Credit hours		
Code	Course Name	L	P/T	Total
